

## THANK YOU FOR YOUR GIFT TO ESRA

However much, or however little you can contribute, means a very great deal to us and to all the recipients of our support. With this donation you can help ESRA continue its work.

You can specify a particular community project you'd like to support. You can honor a loved one and we will send them a letter to inform them of your thoughtfulness. And you can be proud that it's ESRA, Israel's largest English speaking volunteer organization, that's making this happen.
